

Payments for School Meals

Cheques are to be made payable to: Surrey County Council

The current daily amount is £1.80

The amount is payable in advance on a Monday.

Payments for School Meals may also be made online:

Instructions for use:

Online schools meals payment system

The school code is ECEE0604

You may access the payment site in the following ways:

- Type the following URL in your internet window,
www.surreycc.gov.uk/schoolmeals
- Or, go to the Surrey County Council home page www.surreycc.gov.uk, click on **Do it online**, and then **Online School Meals Payments**.

To save this site for future use, you can put it in the Favourites folder in your browser window.

On the payment screen, you can either,

- Enter the school code found at the top of the note into the **school code** field
- Or, enter the school name selected from the drop down list.

Please enter your child's details next – child's name, class and amount. Please enter the amount you are paying in the format of number, decimal point, number, without a £ sign (for example, 10.00).

If you wish to make a comment about your payment please enter it in the Feedback/comments box. This text will also go to the school.

When you have checked that the details are correct, please proceed to the payment card validation and follow the onscreen instructions.

When payment is made, you will receive an email confirmation from both WorldPay and Surrey County Council. The school will also receive confirmation of the transaction and the payment is complete. **Please note that all payments are made through a secure site.**
